

Strategic Plan for the South Georgetown Leadership Group (SGLG)

Vision: All young people in the Southern Georgetown community will be successful, productive citizens.

Mission: Bring opportunities to young people in the Southern Georgetown community.

*These objectives are to be completed before the end of 2018 in Georgetown County, SC.

Goal 1

Establish an effective network of communication with Southern Georgetown Community members, elected officials, and other community decision makers.

Objective 1: Maintain a calling and emailing (and snail-mailing) network to inform Southern Georgetown Community members, elected officials, and other community decision makers about important events and community concerns.

Objective 2: Create and/or distribute flyers regarding SGLC meetings and other community events and keep the SGLG brochure current.

Objective 3: Participate with other collaborative groups as a member of the Youth Community Connections (YC²).

Objective 4: Host an annual meeting with elective official and/or candidates to hear about their priorities and to present the SGLG's agenda.

Goal 2:

Support the development of a public library to be centrally located in the Southern Georgetown community.

Objective 1: Work with the Georgetown County Library Director and staff to find funding and political support for the Southern Georgetown County Library.

Objective 2: Investigate ways to raise money for the Southern Georgetown County Library.

Goal 3

Promote the development of out of school time enrichment programs (i.e., afterschool and during the summer) for children in the Southern Georgetown Community.

Objective 1: Support the development of enrichment programs for children and youth in southern Georgetown County.
