

Cross Collaborative of Service Coordinators (CCSC)

VISION: Georgetown County will become an environment where residents are able to achieve their maximum level of self-sufficiency.

MISSION: To ensure that Georgetown County residence have access to coordinated service providers.

GOAL 1: Increase awareness of access and advocacy of care coordination services.
Objective 1: Develop and keep current a directory of service coordination services in Georgetown County.
Objective 2: Establish a common definition of service coordination.
Objective 3: Participate in a data-sharing network that provides regular reports on the individuals' answers to 6 consensus questions.
Objective 4: Identify gaps and overlaps in coordination.
Objective 5: Identify strategies for sharing our findings with stake holders.
GOAL 2: Increase the level of service coordination practices.
Objective 1: Increase professional development and networking opportunities.
Objective 2: Increase opportunities to build relationships among service providers.
Objective 3: Increase warm hand-offs between and among service providers.
