

**Georgetown County**  
**Youth Community Connections (YC<sup>2</sup>)**  
**Strategic Plan**

**Vision:** Working together to improve the lives of all children in Georgetown County.

**Mission:** Combining our resources to increase the positive impact of the youth collaborative group

**Goals and Objectives**

\*These objectives are to be completed by December 2018 in Georgetown County, SC.

<b>GOAL 1: Increase the ability of YC<sup>2</sup> members to understand how their collaborative groups affect children and youth.</b>
Objective 1: Increase understanding of the types of data collaborative groups collect.
Objective 2: Increase the ability of collaborative groups to make decisions based on data.
Objective 3: Increase the ability of collaborative groups to understand their outcomes and impact by developing a system to collect and analyze focused data.
Objective 4: Increase the collective impact of collaborative groups by supporting the work recommended in the Community Visioning Report.
<b>GOAL 2: Increase the ability of collaborative groups to engage parents.</b>
Objective 1: Increase parent engagement and education by contributing to the Triple P Community-wide Initiative.
Objective 2: Improve parent engagement in collaboration with other sectors working on community goals that emerge from the “Community Conversations.”
