

## **Strategic Plan for the South Georgetown Leadership Group (SGLG)**

**Vision:** All young people in the Southern Georgetown community will be successful, productive citizens.

**Mission:** Bring opportunities to young people in the Southern Georgetown community.

\*These objectives are to be completed before the end of 2015 in Georgetown County, SC.

### **Goal 1**

**Establish an effective network of communication with Southern Georgetown Community members, elected officials, and other community decision makers.**

**Objective 1:** Maintain a calling and emailing (and snail-mailing) network to inform Southern Georgetown Community members, elected officials, and other community decision makers about important events and community concerns.

**Objective 2:** Create and/or distribute flyers regarding SGLC meetings and other community events.

**Objective 3:** Collaborate with ELC Advocacy Committee members and other community advocates to request their attention regarding issues related to the well being of children in the community.

Objective 4: Host a meeting with elective official and/or candidates semi-annually to hear about their priorities and to present the SGLG's agenda.

Objective 5: Create a SGLG brochure.

### **Goal 2:**

**Support the development of a public library to be centrally located in the Southern Georgetown community.**

**Objective 1:** Work with the Georgetown County Library Director and staff to find funding and political support for the Southern Georgetown County Library.

**Objective 2:** Investigate ways to raise money for the Southern Georgetown County Library.

**Objective 3:** Determine the kinds of programs the community would like to have in the Southern Georgetown County Library.

### **Goal 3**

**Promote the development of out of school time enrichment programs (i.e., afterschool and during the summer) for children in the Southern Georgetown Community.**

**Objective 1:** Explore ways to improve students' access to enrichment programs (e.g., Freedom Readers) that can be available in the community.

**Objective 2:** Create a plan to engage ALL parents (especially the 10-20% who are not engaged) in their children's education.
